

Product Warranty & WEEE Compliance

Product Warranty

Cooper B-Line Ltd expressly warrants that the products we manufacture and all the components we use will be free of defects in material and workmanship. We guarantee to replace, or at our option to repair any product which we find to be defective in material or workmanship under normal use provided that a claim is made in writing to us within one year after the purchaser's receipt for comm./ data products and electronic enclosure products. Our obligation with respect to products found by us to be defective shall be limited to replacement or repair. In no event shall Cooper B-Line Ltd be liable for installation, adjustments, or any expenses or damages which may arise in connection with such product, nor for damages for loss of use, and the foregoing shall be the purchaser's sole remedy hereunder. This warranty does not extend to products that have been altered by personnel other than those employed by Cooper B-Line, nor does it extend to products that have been subject to misuse, neglect, accident or improper installation.

This warranty is exclusive and in lieu of all other warranties, expressed, implied or statutory, including the implied warranties of merchantability and fitness for a particular purpose.
