

N_One Wireless CardBus Adapter

LevelOne N_One Wireless Series

The LevelOne N_One Wireless series of network products provide users with more than just high-speed wireless network connections. Apart from delivering speeds of up to 300Mbps*, the N_One FreeCon series provides an extended wireless network coverage area and enables users to enjoy multi-media streaming and other bandwidth demanding applications such as VoIP, Internet video conferencing and network gaming.

Connect Wirelessly at Wire-speed

The LevelOne N_One Wireless Cardbus Adapter for notebook computers provides users with wireless networks speeds that are faster than traditional 100Mbps LAN connections. With wireless network connectivity surpassing traditional 10/100Mbps connectivity, users can now enjoy the freedom of non-wired network connections*.

Apart from being compliant with the latest Draft 802.11n standard, the WPC-0600 Wireless Cardbus Adapter is also backward compliant with 802.11g and 802.11b wireless network standards.

Extended Wireless Coverage

The WPC-0600 Wireless Cardbus adapter enables notebook computer users to connect to the LevelOne N_One Wireless Broadband Router or other wireless Access Points at farther distances than before. With multiple antennas and an antenna extension cord and stand the N_One Wireless Cardbus Adapter allows for improved signal transmission and receiving over extended areas. This feature is extremely useful for large area home and office users that have difficulty connecting to their wireless networks.

Network Security

The WPC-0600 N_One Wireless Cardbus Adapter supports an array of standard and advanced network security features. It supports 64/128-bit WEP encryption as well as WPA and WPA2 security protocols for a secured connection to secured Wireless network.

** Network speeds vary according to network equipment, network set-up and environmental influence factors. For best performance, use LevelOne N_One Wireless Broadband Router.*

** For maximum wireless network performance, use the LevelOne WBR-6000 N_One Wireless Broadband Router*
